### **Local Businesses Make Youth Auction a Success**

The State Fair of Texas® provides many educational and leadership opportunities for Texas' youth. The Youth Livestock Auction is designed to provide monetary assistance to qualified students from across the state and inner-city youth in the Dallas area. The scholarship program allows bright students to further their education

These programs would not be possible without the help from our sponsors. Local businesses, community members and youth supporters partner with the State Fair of Texas to create opportunities for students that otherwise would not be available. Every contribution helps create new possibilities.

The State Fair of Texas appreciates the following sponsors' contributions:
